

**72% of System i servers
have security holes**

**Would you like to instantly know
where those security breaches are?**

Come see how **SIMPLE** and **EASY** it can be to protect your business. Be compliant with international best standards and regulations like SOX and C-198.

**WHEN: Wednesday February 11, 2009
10H30-12H30 (lunch included)**

**WHERE: Pointe-à-Callière Museum at
173 Place d'Youville**

**There is no cost to attend but space is limited
so please call 1-866-IBM-BP4U or visit
www.present.ca to register**
